The floor plan illustrates the layout of the Woodstock Little's campus, divided into three main sections: A-Building, B-Building, and W-Building.

- A-Building Level One:** This section includes the Fellowship Hall, Auditorium, Nursing Room, Church Offices, Foyer, and Thrive Special Needs Ministry. It also shows a Prayer Room and a Trolley Drop-Off area. Walkways connect it to the B-Building and W-Building.
- B-Building Level One:** This section includes the Gym, Foyer, Café, and various ministries (Student Ministry, Sports Ministry, Care Ministry, Young Adults, Thrift Store). It also shows an Elevator and a Walkway to/from the A-Building.
- B-Building Basement:** This section includes the Young Adults and Thrift Store areas.
- W-Building Level One:** This section includes the Creation Station, Preschool Theater, Lobby, Nature Nook, and various offices and work rooms. It also shows an Elevator and a Walkway to/from the A-Building.

The plan is color-coded and includes a legend for room types and ministries. The A-Building is shown in a light blue color, the B-Building in a light green color, and the W-Building in a light orange color. The plan also includes a legend for room types and ministries, with icons for each.

The floor plan of Level Three of the W-Building is a semi-circular auditorium. The central area is the Orchestra Room, which is surrounded by tiered seating. To the left of the Orchestra Room is the Choir Room. There are three elevators: one on the left side of the Choir Room, one at the top left of the Orchestra Room, and one at the bottom right of the Orchestra Room. The plan also shows various restrooms and service areas.
